

**REMARKS**

Prior to substantive examination, please enter this amendment into the record to place this application in proper form for review by the Examiner. The Amendment inserts the required paper copy of the "Sequence Listing" into the Specification, in accordance with the requirements of 37 CFR 1.821 (c) and PCT Rule 5.2(a). It is noted that the required computer readable format (CRF) copy of the sequence listing is being submitted separately to Mail Stop Sequence. Claims 1-28 are canceled without prejudice in favor of newly presented claims 29-140.

Respectfully submitted,

**KING & SCHICKLI PLLC**
